

## GETTING TO KNOW YOU

For LDN Showband, LDN City Collective & LDN Gold

Your Name(s)

We use our vast experience in events to tailor our set lists to our clientele, so whilst we love getting your input on set lists, we promise you'll be better off trusting us to do what we do best when it comes to formulating our final set list.

Things to consider:

- Think about what your guests would like to hear, but don't forget to add songs that YOU love!
- We usually anchor our sets with medleys that are heavily rehearsed and arranged, so we can't swap songs out of medleys.
- Some songs aren't as adaptable as others to be played by a live band.
- We recommend you choose from the 'A' Catalogue, but if you want to swap a couple in from the back catalogue, we're happy to do so!

Get stuck into our selection form below, to give us the best idea of what music will truly make the best experience for you and your guests.
